

My Breastfeeding Support Circle

Breastfeeding is a journey, and no one should have to do it alone. Use this space to identify the people and organisations who are part of your breastfeeding community and support you.

Remember

Your support circle might be big or small. What matters is that it works for you.

You are not alone. You are supported.

Partner / Co-parent

Family

Friends

Healthcare Professionals

Peer Supporters

Breastfeeding Counsellors / IBCLCs

Workplace / Employer

Community Groups

Other Parents
