VEGAN NIPPLE BALM FOR
BREASTFEEDING MOTHERS

Sample

10 ml / 0.3 fl.oz.

Breastfeeding is balm for the soul. Now we have balm for the breast.

This vegan nipple balm made from natural ingredients is an effective vegan solution for the prevention and treatment of dry and irritated nipples in nursing mothers.

For dry, sensitive or irritated nipples in nursing mothers

- Protects the nipples while breastfeeding and prevents irritation.
- Replaces and supplements the natural skin oils
- Soothes and calms, keeps the skin soft and supple.
- Supports self-healing of the skin
- Restores the skin's moisture balance
- Can be used for all types of very dry or rough skin

Suitable for sensitive skin

Vegan alternative to lanolin

Made from pure natural raw materials in accordance with natural cosmetic standards

Odourless and tasteless

Safe for both mother and baby

- Free from fragrances and synthetic preservatives
- Does not need to be wiped off before breastfeeding

Small and compact, fits in your changing bag or handbag
